

2015 Brit Fader Scholarship Award to Bram Paterson - VE2XCS

The Halifax Amateur Radio Club is pleased to announce that Bram Paterson - VE2XCS - has been awarded the 2015 Brit Fader Academic Scholarship.

Bram is a member of the West Island Amateur Radio Club in Montreal where he serves as Club Treasurer and Director of Publishing, and has served as one of the Club net control operators.

He has been active in the Club's Field Day, and uses software-defined radio to monitor the HF bands.

Bram credits Amateur Radio for his chosen career path in electrical engineering. He has been accepted into the electrical engineering programme at Cegep de Saint-Laurent in Montreal.
